

CONNECTION PLAN FOR WIRELESS REMOTE CONTROL (SINGLE-ACTING POWER UNIT)

- 1. Black
- 2. Red
- 3. Green (antenna wire)
- 4. Yellow
- 5. White

The color of the wires may vary according to the types of remote control, but the positioning remains in the same order.

*The green wire is the antenna wire.

N.B. Electronic parts are not guaranteed if the remote control is incorrectly installed.
