HEX SERIES SIDE STEPS

- Made of extruded aluminum and completed with a protective powder coat to stop corrosion in its tracks
- Integrated channel design allows you to adjust the position of the drop steps for customized placement
- Available in Textured Black, Gloss Black, or Silver
- Custom bracket kits ***(sold separately)***

HEX SERIES CAST STEP

- Enclosed cast step design adds style and a larger step surface
- Integrated channel design allows you to adjust the position of the drop steps for customized placement
- Available in a Textured Black powder coat finish
- Custom bracket kits ***(sold separately)***

BED ACCESS STEP

- Features three aluminum cast steps on each side
- Gives you a boost up to access the bed of your truck from in front of your real wheel well
- Available in a textured black powder coat finish
- Utilizes Hex Series extrusion for preferred placement of each cast step
- Custom bracket kits ***(sold separately)***

6" SIDE STEP

- Constructed from tough, 16-gauge steel for a sleek clean look or Brite-Tread aluminum for more of a rugged off-road look
- Available in polished stainless steel, Brite-Tread aluminum, or with a textured black powder coat finish
- Molded plastic end caps and step pads
- Custom bracket kits ***(sold separately)***

NXt RUNNING BOARDS

- Slip resistant rubber grommets line the 6" wide step area
- Available in black with black trim or black with chrome trim
- Regular Cab = 51" (1.3m), Extended Cab = 73" (1.85m), or Crew Cab = 86" (2.2m)
- Custom bracket kits ***(sold separately)***

NXc RUNNING BOARDS

- Slip resistant rubber grommets line the 5" wide step area
- Available in black with black trim, black with chrome trim, or stainless with black trim
- Full-length aluminum protective accent trim
- Standard = 71.5" (1.82m) or Compact = 65.5" (1.66m)
- Custom bracket kits ***(sold separately)***

ROUGH STEP

- Aluminum or Steel construction protected by NRT™ powder coating
- Grated step surface allows dirt and debris to fall through and avoid build up
- Regular Cab = 51" (1.3m), Extended Cab = 73" (1.85m), or Crew Cab = 86" (2.2m)
- Custom bracket kits ***(sold separately)***

REAR TRANSIT ROUGH STEP

- Aluminum construction protected by NRT™ powder coating
- Grated step surface allows dirt and debris to fall through and avoid build up
- Custom fit bracket kit included

RUNNING BOARDS

MOLDED SIDE STEP

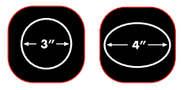
- Textured poly plastic construction
- Reinforced steel underneath to ensure a sturdy step up
- Extended Cab = 73" (1.85m), or Crew Cab = 86" (2.2m)
- Custom bracket kits ***(sold separately)***

LOUVERED SIDE STEP

- Made of heavy-duty steel with fully welded ends
- Allows water and debris to drain through the board and keep the step area clear and slip free
- NRT™ textured black powder coat finish
- Extended Cab = 73" (1.85m), or Crew Cab = 86" (2.2m)
- Custom bracket kits ***(sold separately)***

3" ROUND & 4" OVAL NERF BARS

- Constructed from tough, 14-gauge 304 stainless steel material or tough, black 14-gauge mild steel
- Molded plastic step pads at each door to ensure secure footing on the step area



BRITE-TREAD RUNNING BOARDS

-The classic style that started it all for Dee Zee
- Non-rusting Brite-Tread aluminum construction with front mud flap
- No drill, custom-fit bracing tucks under the vehicle to create a sleek look

***Custom-fit bracket kit for most applications ensures quick and easy installation Sold Separately**

ACCESS STEPS

NXt HITCH STEP DZ16300

- A secure step-up to access the cargo stowed on the roof rack of your van or SUV
-Slip-resistant raised rubber grommets on step area ensure a secure footing
- Access items in the rear of your truck bed without dropping the tailgate
-Installs into 2" trailer hitches ***(hitch pin included)***

SERRATED HITCH STEP DZ15302S

- Constructed of heavy duty steel finished with a textured black NRT™ powder coat finish
- Rugged grated surface to ensure a safe step up
- Built in bottle opener and 10mm & 13mm hex wrenches
- Installs into 2" trailer hitches ***(hitch pin included)***

SIDE BOX STEP

- Gain access to the front of your truck bed or toolbox
- Cast aluminum step with non-slip surface attaches to the frame of your truck
- Black powder coat finish
- Mount using existing factory holes in front of your rear wheel
- 300lb. Capacity - Driver side only

BUMPER STEP

- Gain access to the rear of your truck bed with this handy step up
- Cast aluminum step with non-slip surface attaches to the frame of your truck
- Black powder coat finish
- Mount using existing factory holes below the bumper
- 300lb. Capacity - Driver side only

FREEDOM TOP RACK DZ4463JP

- 24" rack covers the front or rear doors of your JK/JL Wrangler or Gladiator
- Add another to cover both front AND rear doors
- Installs easily into existing drip rails
- 200 lb. tested weight capacity ***(static & dynamic)***
- Cross-bars can be moved forward and backwards in the aluminum hex extrusion to mount accessories
- Rubber bumpers leave roof scratch free and provide additional stability
- Available Dee Zee accessories:
  - Solid Cargo Tray ***(right)***
  - Hex Series Tie-Downs ***(pg. 18)***

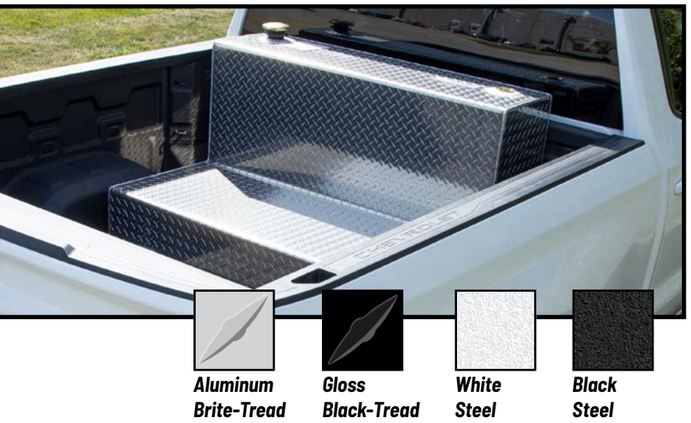
TANKS

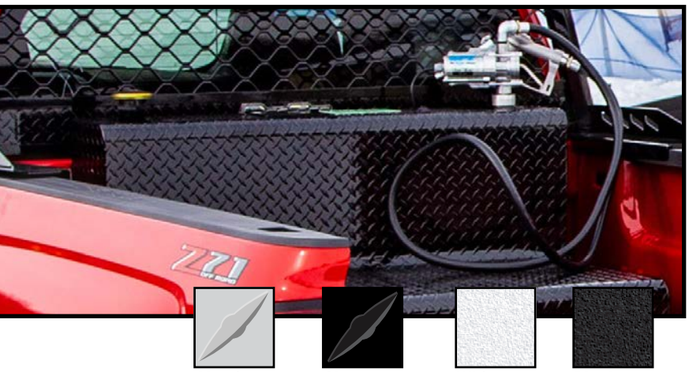


Aluminum Brite-Tread | *Gloss Black-Tread* | *White Steel* | *Black Steel*

TRANSFER TANKS

- Internal baffles controls flow of liquid and adds strength
- Mounting tabs secures tank to truck bed
- Radius curves design allows liquid to move freely around corners and eliminates pressure on weld points
- Drain plugs allow for draining the tank by gravity
- Lockable breathing cap reduces pressure & eliminates the vacuum when pumping

Available in: Rectangle, Square, Combo, or L-shaped



Aluminum Brite-Tread | *Gloss Black-Tread* | *White Steel* | *Black Steel*

AUXILIARY TANKS

The same great tanks you rely on, now with the ability to feed directly into the fuel line of your diesel vehicle.

- All standard tank features like lockable-Breathing Caps, Drain Plugs, Radius Curves...***see above***
- Pressure tested to 29 PSI: Federal Regulation 178.814
- Full-size baffles add extra strength and controls motion

Available in: Rectangle, Square, Combo, or L-shaped

Aluminum Brite-Tread | *Gloss Black-Tread* | *White Steel* | *Black Steel*

COMBO TANKS

- The convenience of a Utility Chest mounted to a Transfer Tank
- Red Label Utility Chest features lockable paddle handles, lid stiffner, and gas shocks ***(pg. 24)***
- All standard tank features like lockable-Breathing Caps, Drain Plugs, Radius Curves...***see above***

CREATE YOUR OWN:
Mix and match colors and finishes of Red Label Utility Chests ***(pg. 24)*** and L-shaped tanks to create your own custom combo tank using ***DZBKTCOMBO***

- Overland MOLLE Panels

HALL of FAME

For over 40 years Dee Zee has had the good fortune to employ thousands of talented men and women. We've been represented by the top sales agencies and forged partnerships with the best warehouse distributors and retailers. The Dee Zee Hall of Fame recognizes those exceptional individuals who significantly contributed to Dee Zee's growth and industry standing, either as a company "pioneer" or instrumental in shaping its future.

Dee Zee is proud to honor the following individual as its 2021 class inductee into the Dee Zee Hall of Fame.

Danny Kruzic

Danny Kruzic witnessed a lot of growth and changes at Dee Zee since beginning his employment in 1983. Originally hired to run the print shop department, his responsibilities grew quickly into print design, advertising, and other duties within Dee Zee. He was eventually promoted to Director of Marketing where he led that department for over 25 years, finishing up his 36-year career with Dee Zee as a sales manager.

He says, "We always cared for, and looked out for each other. We worked hard, but it was always fun. It truly was a family to me. I worked with some very talented and gifted people; we accomplished a lot together."

Retiring in September 2020, Danny is enjoying retirement by spending time traveling with his wife Louisa, riding bikes, and playing guitar. Everyone at Dee Zee wishes Danny the best in all his future adventures.

DEE ZEE, INC. WARRANTY AGREEMENT

This warranty applies only to the original purchaser of new product(s) and is limited to the replacement of genuine Dee Zee products. Modification of any kind to Dee Zee products voids all warranty coverage. Warranty does not include electrical components, installation, cost of removal, labor, transportation costs, loss of use, inconvenience, or consequential damages.

Damage resulting outside of normal use such road hazards such as gravel or other debris, product misuse, improper installation, impairments from accidents, product modifications, improper repairs, spills, vandalism, product neglect, lack of maintenance, not following cleaning instructions, or acts of God are not covered under this warranty agreement.

WARRANTY COVERAGE - MATERIALS & WORKMANSHIP

LIMITED LIFETIME WARRANTY:

- **STAINLESS STEEL**: Side Steps, Grill Guards, Bull Bars, Bed Caps, and Side Rails
- **ALUMINUM**: Side Steps, Running Boards, Storage Boxes, Transfer Tanks, Bed Protection, Side Rails, Invis-A-Racks, and Cab Racks
- **PLASTIC**: Storage Boxes
- **OTHER**: Front and Rear Bumpers

THREE-YEAR WARRANTY:

- **POWDER-COATED / E-COATED STEEL**: Side Steps, Running Boards, Storage Boxes, Transfer Tanks, Cab Racks, Sport Bar, Ladder Racks, Cargo Carriers, Cargo Trays, Mounting Brackets purchased for installation (NX, 6", Rough Step, Louvered, Hex Series, Underbed, and Bumper Guards only)
- **OTHER**: Tailgate Assist, Bed Mats, Floor Mats, Mud Flaps, Auxiliary Fuel Connection Kits, Tie Down Anchors, and All Products Not Otherwise Listed Individually

WARRANTY COVERAGE – FINISH PROTECTION

The finish of all Dee Zee products is covered for one-year (1) from the date of purchase. Dee Zee products have a high quality finish that must be cared for and maintained like any other exposed finish on the vehicle. Protect the finish with non-abrasive automotive wax (e.g. Pure Carnauba) on a regular basis. Applying soaps, polishes, or waxes that contain an abrasive compound may scratch the finish and leave the exposed material susceptible to corrosion.

WARRANTY COVERAGE – COMPONENT PARTS

Operational items such as shocks, latches, hinges, and wear items including, but not limited to, mud flaps, step pads, toolbox tray, end caps, hardware, seals, etc. have a one-year (1) warranty. Replacement component parts can be ordered via credit card (MasterCard or VISA) by calling 1-800-779-2102. All replacement parts are non-returnable and non-refundable.

GPI® FUEL PUMPS & ACCESSORIES

All Great Plains Industries (GPI) products, including transfer tank pumps and fuel meters are covered by GPI's warranty policies. Dee Zee's warranty terms do not apply to GPI products. To submit a warranty claim, please contact GPI at 1-800-835-0113 or visit www.gpi.net.

WARRANTY SUBMISSION PROCEDURE

All warranty claims will be initiated at the place of purchase. The original purchaser will be required to present the original sales receipt with purchase date shown and provide photographs of the defect. All warranty replacement requests must be submitted via email to returns@deezee.com.

In the event the originally purchased product style is no longer available, Dee Zee will warranty the defective part with a current equivalent. If a comparable product is no longer available, the product would be returned to the store of purchase for a refund or the applicable cost difference can be paid to choose an alternate style.

DISCLAIMER

All products are sold as appearance accessories and should not be relied upon as protection for the vehicle or its occupants in the event of an accident. Vehicles equipped with a supplemental restraints system (air bags) deployed by impact and collision avoidance systems should not be modified in any way. Always consult the vehicle manufacturer if you have any questions regarding supplemental restraint systems and sensors.

Buyer must accommodate front and rear sensors during product installation and assumes all risk should these be tampered, rerouted, severed, or disconnected. This includes disabling visual, audio, or vibration alerts into the cab. Buyer assumes all risk and responsibility for wiring any supplemental auxiliary lights.

Buyer assumes all risk, liability, and cost for the installation and use of Dee Zee products. Dee Zee, Inc. assumes no liability for injury, loss, incidental or consequential damages in the event of an accident.

CALIFORNIA PROPOSITION 65

WARNING: Operating, servicing, and maintaining a passenger vehicle can expose you to chemicals such as lead, phthalates, engine exhaust, and carbon monoxide that are known to the State of California cause cancer and birth defects or other reproductive harm. To minimize exposure, service your vehicle and its accessories in a well-vented area and wear gloves or wash your hands frequently.
